

Dear Supporter,

We hope you will enjoy reading our latest newsletter. We are very conscious that often our newsletters are all about raising funds which is primarily our function, but this time we felt we should offer some balance and give you news of the school and its successes which we hope you will find uplifting and inspiring.

So to begin with, below you will see a list of people, their names, occupations and some photos. Too many to record in this newsletter so more will be added in our subsequent newsletters.

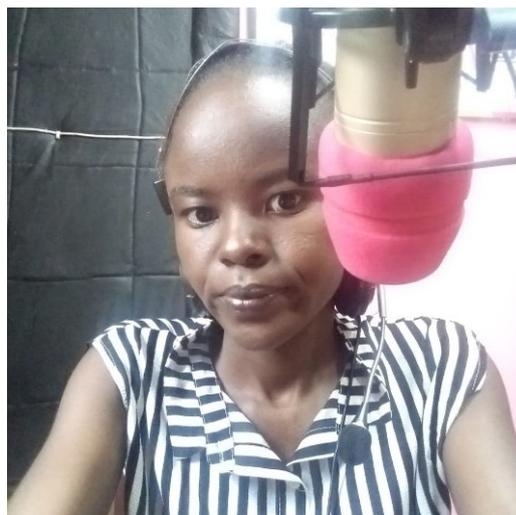

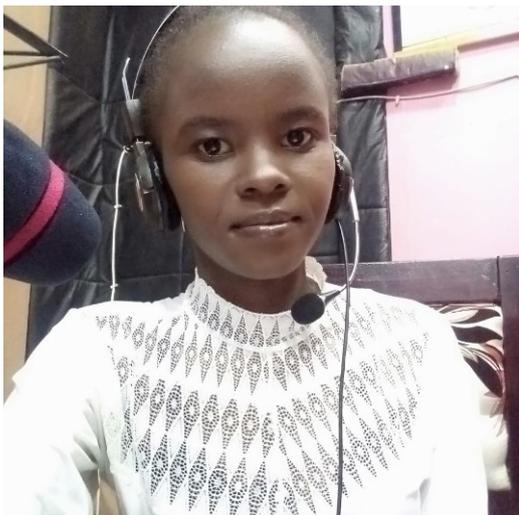

The question is what do all these people have in common? Well the answer quite simply is ... IMPREZZA ACADEMY!!!

All these adults have passed through Imprezza Academy and moved on to find fulfilling jobs as you will note below. Without the education, support and opportunities provided by Imprezza these good people would not be where they are today. And if you have been a long time supporter you will have helped to make this possible. Those of you new to supporting us can see what impact the support you give can have and we hope you will continue to support us and in turn assist these good people to better their lives and the ones they love and provide for.

Cream Teas...mmmh!

Our most recent fundraiser was a delight and of course our thanks to our gracious host Jane for allowing us to use her garden, Donna for her delightful scones, Anthony and Lee for their musical talents and of course to the others who helped put this together along with those who attended.

Altogether around £600 was raised to help with our depleted funds since this pandemic started. More news of our forthcoming fundraisers below. Some semblance of normality should be returning with more exciting events planned. Please do support us where and when you can.
