Future Events in 2022

We are currently finalising some of our forthcoming events but hope to include at least 2 Moonstone Player Events, a couple of Garden Parties during the summer months, an Autumn Ball and we are also intending to mark the Queen's Platinum Jubilee with something special during the 4 day weekend in June.

These details and more will be communicated to you in our next newsletter.

You will see above that we have many other events planned. However, we are always open to suggestions so if you would like something different, let us know and we will see if it is practical and profitable to do. Or what about running an event for Imprezza, whether a coffee morning or sky diving? We

are always grateful for peoples fundraising efforts. Normally money raised goes into the general running cost funds,

however we always have various projects on the go from developing our agriculture further to building more classrooms or dormitories or purchasing more land. If you wanted to fund raise

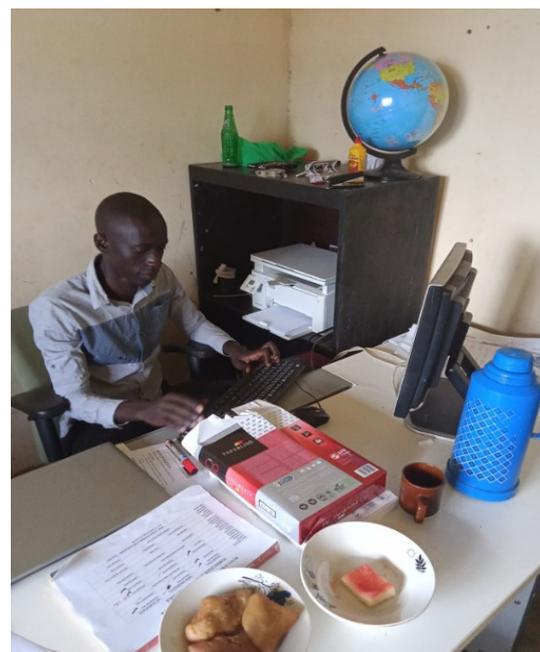

towards a specific project, talk to us about what is currently "live" or planned and we will be able to work with you on that.

News from Imprezza Academy

Above photos show Catherine and a colleague using newly acquired computers.

Below Catherine teaching a geography class.

On the school front, all our students are back again and working hard, especially our top class who are preparing for their national exams in April.

Thanks to the Whistlestop Christmas raffle Imprezza Academy staff and pupils were able to enjoy their Christmas as usual (see photo below of staff) Every year the Whistlestop Cafe, thanks to its raffle, makes sure they have a great Christmas. A BIG thanks Melissa and Bill for your ongoing support which must be for 17-18 years. This is in addition to year round support we get from our collection boxes and Bikers Nights.

In addition thanks to our supporters those at Imprezza also enjoyed a great New year. Turkey is not on their menu, for many (if they can afford it) it is a chicken, but the celebration choice is always BBQ goat. As you know we are based in an extremely poor area and for many, Christmas is no different to any other day. Catherine makes sure that any surplus does not go to waste but is given to needy families in the local community. The real Christmas spirit in action.

Catherine, her team and everyone at Imprezza sends best wishes for a great 2022 and asks us to say how amazing they think you all are helping them with their education and giving them an opportunity to escape the grinding poverty which is all they have known until Imprezza. The UK team would like to echo those sentiments.

Happy New Year

Our Mission is to enable students, both boys and girls, who would not otherwise have any access to secondary education to succeed.
