

**Operation Imprezza** is a UK charity which helps provide education for Kenyan children who can't afford to go to school.

It does this by supporting **Imprezza Academy**, a primary and secondary school with boarding facilities located in **Western Province, Kenya**. Fees are only paid by those who can afford them. Please see inside for more information as to how you might help us change lives.

**Thank you**

**Operation Imprezza**  
Self-sustaining, equal access education  
in rural Western Kenya

[www.operation-imprezza.org](http://www.operation-imprezza.org) Registered Charity Number 1148240

If you could give  
**just one**  
**gift** to someone...

**what**  
**would it be?**

## The Gift of **Life**

Young people cannot learn if they are hungry or malnourished. Imprezza provides nutritious school meals for the students so that they stay healthy and can learn well. It also provides a home and family for those who have nothing.

## The Gift of **Equality**

Imprezza has a richly diverse mix of young people who learn to work together, understand and respect each other and form friendships which can last a lifetime. Orphans and children from destitute families, both girls and boys have the same opportunities as those who can afford school fees. Nationality, tribe and religion make no difference, all are welcome.

# Leaving a gift in your will is simple.

Everything you need to know about how to include a legacy to Operation Imprezza in your will can be found on our website at:  
[www.operation-imprezza.org/legacy](http://www.operation-imprezza.org/legacy)

Alternatively, you may like to show this leaflet to your solicitor who will be able to make the necessary arrangements for you.

## The Gift of **Learning**

Education is the best gift any young person can receive. It opens the door to a better life and an escape from the grinding poverty in which one meal a day may be a luxury. Imprezza helps cover the essential costs for those who cannot support themselves so that everyone is able to share in the school's success.

## The Gift of a **Future**

Imprezza Academy will eventually accommodate about 750 students so it will continue to need money for buildings, furniture and school equipment as well as everyday necessities such as beds and mattresses for the dormitories. Eventually the school will become self-supporting with its own agriculture programme and small businesses.

**With your help we can change the future for hundreds of young people.**
